

360 Video Exchange

Autumn Owen

Pexels

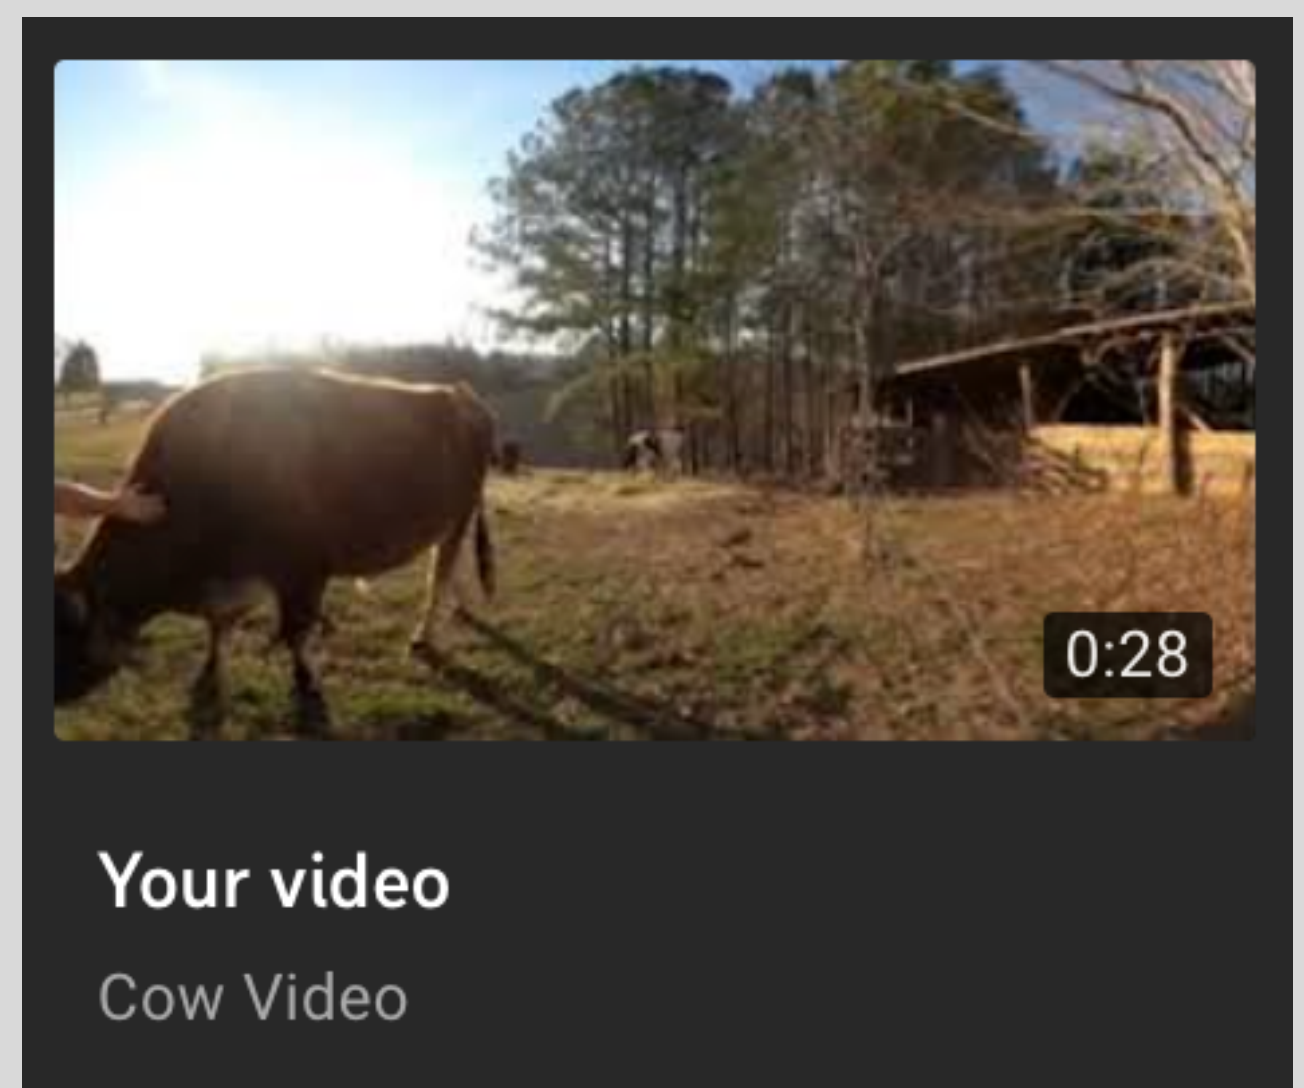

The goal of this internship was to take 360 videos on the GoPro then upload them to YouTube and finally upload them to Pexels. I was able to record videos in some amazing places. My favorite place to record videos was in Pittsburgh.

Skills learned:

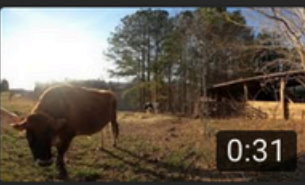

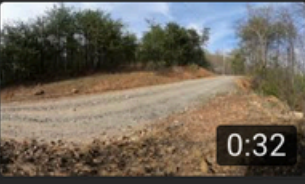

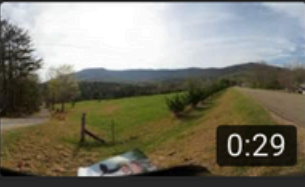

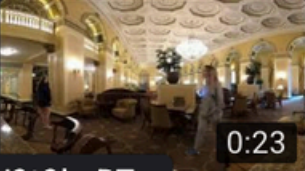

- How to use a 360 GoPro
- How to upload videos to YouTube
- How to cut/edit videos
- Learned about 4K videos

My favorite video

This video had 53 views on our YouTube Channel.
