essentiALZ® Training and Certification Registration and Completion Instructions

essentiALZ®
ALZHEIMER'S ASSOCIATION®

To register, follow steps 1 - 4.

**1** Go to https://training.alz.org/takeessentialzexam.

**2** Click "Log in/Register" in the upper right hand corner.
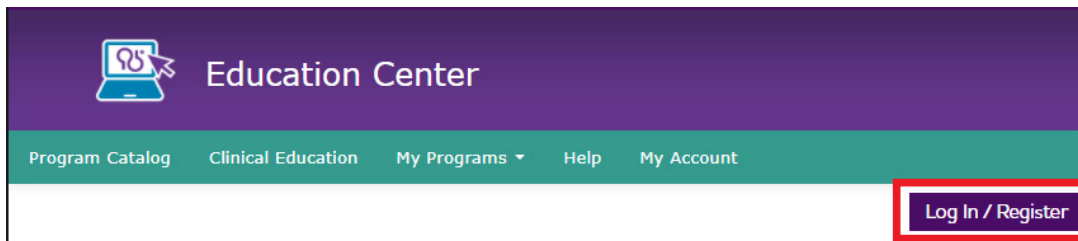

3 Click "Create Account", enter your email address, and "Continue". If you're an existing user, you'll receive instructions to reset your password.

Enter your registration information. Use your work email and address if you received access through your employer. Click "Find Company".
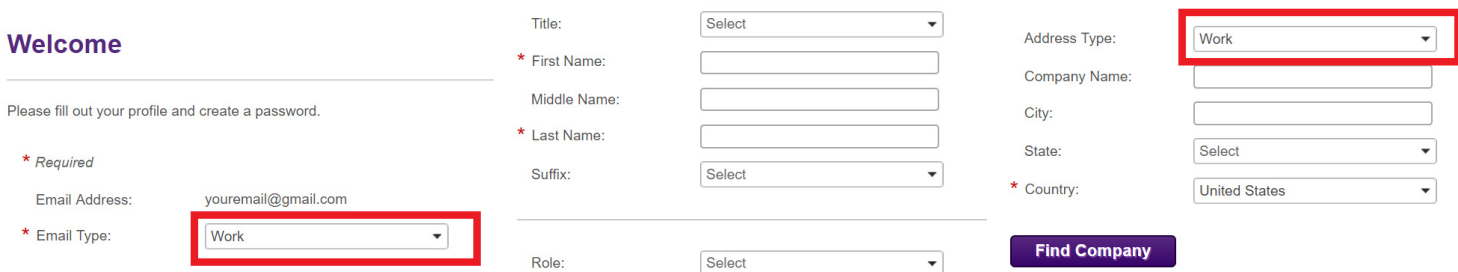

4 Once logged in, select "New Enrollment Code" then enter your 8-character code.
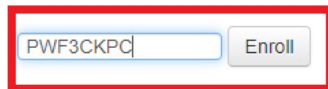

New Enrollment Code
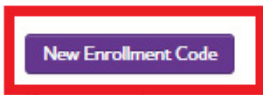

If you are redeeming a new enrollment code, please select "New Enrollment Code" (ex: T2N28C21).

Returning to Continue

If you have already redeemed an enrollment code and need to finish your training or certification exam, please select "Returning to Continue".

**Education Center**

Program Catalog | Clinical Education | My Programs ▾ | Help | My Account
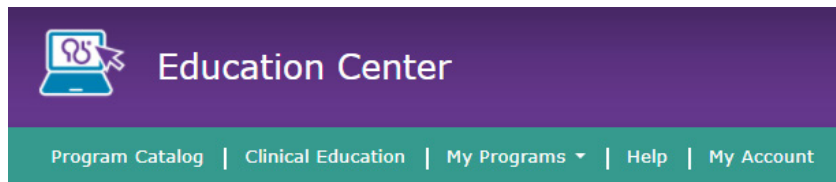

Enter your enrollment code and click the Enroll button.

PWF3CKPC   Enroll

You're registered! To launch the training, follow Step 5.

5 Select "Go" to launch the training program from the pop-up window.

Success ×

The code you entered was accepted and you have been enrolled in the following:

GO essentiALZ® – Alzheimer's Association Training and Certification (Provider)

Close

If returning later, you can re-launch from the menu bar by clicking My Programs, and selecting Active Programs:
