AR HISTORY IN
TIME

The graphic features a light blue background with a dark blue vertical bar on the left. To the right of the bar are four vertical bars of varying heights and colors: teal, lime green, light green, and white. A dark blue horizontal line with a right-pointing arrowhead runs across the top. Three small circles are placed on this line: a yellow one under the 'A' of 'AR', a teal one under the 'R', and a light green one under the 'I' of 'TIME'. Below this line, three circular callouts are connected to the main line by horizontal lines of the same color as the circles they represent. The top callout is teal and contains the text 'EXPLORE ERAS'. The middle callout is yellow and contains the text 'TIME COLLECTOR GAME'. The bottom callout is dark blue and contains the text 'LEARN MORE'. In the top right corner, there are three white horizontal lines.
