## RESEARCH EXPERIENCE

---

***Implementation Specialist/ Project Staff*** October 2019-Current  
Frank Porter Graham (FPG) Child Development Institute  
UNC Chapel Hill  
Assisting in multiple implementation projects aimed to impact child and family outcomes through the use of evidence-based practices and treatments. This includes a large scale-up project to implement Triple P across several service delivery agencies within North Carolina to reduce incidences of child maltreatment. Also includes a project aimed to bring trauma-informed practices to child and adolescent psychiatric residential treatment facilities across North Carolina to reduce the use of seclusion and restraint. Lastly, collaborating on the data analysis and manuscript writing related to these projects and grant writing.

Supervisors/Mentors: Will Aldridge, Ph.D., Robin Jenkins, Ph.D., Renee Boothroyd, Ph.D.

*Clinical Associate/Project Staff (Postdoctoral Training)*

2017-2019

National Center for Child Traumatic Stress

Duke University Medical Center

Assisted in the evaluation of multiple training and implementation projects sponsored through the National Center for Child Traumatic Stress (NCTSN). This includes the evaluation of the implementation of AF-CBT in several military bases across the United States. Also includes the evaluation of using learning collaborative methodology to implement trauma informed practices into schools. Lastly, collaborating on the data analysis and manuscript writing for projects from the core data set of the NCTSN including those on caregiver-related trauma exposure and revictimization.

Supervisors/Mentors: George Ake, Ph.D.; Ernestine Briggs-King Ph.D.

*Graduate Research Assistant*

2013-2017

Moral Injury Project

University of Utah Department of Psychology

Assisted in study design, survey development, and supervised data collection performed by undergraduate students using an undergraduate participant pool. Conducted data analysis including confirmatory factor analysis and measurement invariance for the validation of a psychological measure of moral injury for use with adolescents and young adults.

Supervisors: Patricia Kerig, Ph.D.; Cecilia Wainryb, Ph.D.

*Graduate Research Assistant*

2011-2017

University of Utah Risk to Resilience Project

Integral to study design, survey selection, IRB approval procedure, data collection with parents and youth, training of research assistants, acted as liaison to juvenile detention facility, and responsible for data management, analysis and presentation of data. Data includes self-report, behavioral, and psychophysiological measures. Supervised an undergraduate honors thesis, and an undergraduate independent project which was selected for presentation at a national conference. Utilized advanced statistical methods including Structural Equation Modeling and Multilevel Modeling techniques.

Supervisor: Patricia Kerig, Ph.D.

*Project Coordinator*

2010-2011

Pennsylvania Youth Suicide Project in Primary Care

Children's Hospital of Philadelphia, Center for Family Intervention Science

Coordinated contact, scheduling, data collection, and data management for a SAMHSA funded study investigating and implementing a youth suicide prevention screening tool in primary care settings across the state of Pennsylvania. Included submission and maintenance of IRB submissions, and monthly reports of progress for the funding agency. Supervised a team of undergraduate research assistants.

Supervisor: Guy S. Diamond, Ph.D.

*Clinical Research Assistant*

2010-2011

Attachment-based Family Therapy After-care Study for Suicidal Adolescents

Children's Hospital of Philadelphia, Center for Family Intervention Science

Conducted weekly assessment calls with adolescents enrolled in an intervention study, including administration of the Beck Depression Inventory & the Suicidal Ideation Questionnaire. Received in-depth training for handling crisis situations with suicidal adolescents and children.

Supervisors: Guy S. Diamond, Ph.D.; Suzanne Levy, Ph.D.

Data entry, survey development and construction, video coding of facial expressions, and data analysis for a longitudinal study of youth and their families. Mentored incoming research assistants in study procedures and video coding. Applied for and secured internal research funding to support honors thesis.

Supervisor: Janet S. Hyde, Ph.D.

## CLINICAL EXPERIENCE

---

### Center for Child and Family Health

2016-2019

*Pre-doctoral Psychology Intern; Post-doctoral Intern*

Provided psychological evaluations, post-adoption assessments, and outpatient treatment for primarily low-income children and adolescents presenting with a variety of trauma exposures including sexual abuse, physical abuse, and witnessing domestic violence. Interventions include TF-CBT and PCIT with supervision from certified trainers in each intervention. Completed certifications in PCIT and TF-CBT through the North Carolina Child Treatment Program to earn certification in TF-CBT. Participated in weekly individual and group supervision, and didactics covering topics regarding child and adolescent posttraumatic stress.

Supervisors: George Ake, Ph.D., Angela Tunno, Ph.D.

### Duke Attention-Deficit/Hyperactivity Disorder (ADHD) Program

2016-2017

*Pre-doctoral Psychology Intern*

Conducted integrated psychodiagnostic evaluations with children, teens, and adults referred

for ADHD assessment. Complete diagnostic and treatment formulation; provide feedback to patients and their families; and write comprehensive reports. Provide short-term outpatient individual treatment for children and adolescents diagnosed with ADHD. Participate in weekly individual and group supervision, bimonthly didactics, and case conferences.

Supervisors: Naomi Davis, Ph.D., John Mitchell, Ph.D., Scott Kollins, Ph.D.

### **Duke Psychosocial Treatment Clinic**

2016-2017

*Pre-doctoral Psychology Intern*

Provided psychological evaluations and outpatient treatment for children and adolescents with mood and anxiety disorders. Presenting diagnoses include Major Depressive Disorder, Obsessive Compulsive Disorder, Generalized Anxiety Disorder, Social Anxiety Disorder, Oppositional Defiant Disorder, and Adjustment Disorders. Participate in weekly individual supervision and weekly didactic seminars in evidence-based therapies and case conferences.

Supervisor: David Goldston, Ph.D., Chris Mauro, Ph.D.

### **Duke Family Studies Clinic**

2016-2017

*Pre-doctoral Psychology Intern*

Provided outpatient family assessment, family therapy, couples therapy, and parent training to family members presenting with a range of psychiatric disorders and general family distress. Receive live, behind-the-one-way-mirror supervision from multi-disciplinary faculty (i.e., psychologists, psychiatrists, social workers). Observe other trainees conduct family therapy and provide peer supervision as part of a “therapy team.” Attend weekly didactic seminar in general and specialty topics in the field of family functioning and family and couple’s therapy.

Supervisors: Susan Hazlett, Ph.D., Edward Bridges, MD, Chris Mauro, Ph.D., Donna Eash, L.C.S.W.

### **University of Utah Anxiety, OCD, and Tourette Syndrome Program**

2015-2016

*Cognitive Behavioral Therapist Trainee*

Conducted psychological testing, intake interviews, and therapy including habit reversal training to children and adolescents presenting with anxiety spectrum disorders and complex comorbidities

Supervisor: Michael Himle, Ph.D.

### **Primary Children’s Center for Safe & Healthy Families**

2013-2016

*Cognitive Behavioral Therapist Trainee*

Conducted psychological testing, intake interviews, and therapy for child and adolescent clients with a variety of trauma exposures including sexual abuse, physical abuse, and witnessing domestic violence. Interventions include PCIT, TF-CBT, and CFTSI. Scored and interpreted findings on major assessment inventories for children and adolescents, including BASC-2, PRQ, CSBI, A-DES, and the UCLA PTSD-RI. Exposure to forensic cases and report writing, including parent custody cases.

Supervisor: Brian Thorn, Ph.D.

### **University of Utah Counseling Center**

2013-2015

*Peer Supervisor*

Provided supervision to graduate students conducting cognitive-behavioral therapy at the University of Utah Counseling Center with college student clients. Conducted supervision using video-taped recordings and provided feedback on case conceptualization, treatment plans, use of progress monitoring measures, selection and execution of clinical interventions,

and clinical notes.

Supervisor: Katherine Baucom, Ph.D.

**Gale & Associates**

2012-2013

*Assessment Trainee*

Conducted clinical interviews and psychological testing of youth between ages 13 and 18 detained in Juvenile Justice Observation and Assessment residential facilities. Administered and scored measures including the MACI, WASI-2, Wechsler Fundamentals reading comprehension test, SASSI-A2, APS, and UCLA PTSD-RI. Wrote integrated reports using court records, police incident reports, and data collected via parent interview as well as testing and clinical interview that provided case conceptualization as well as treatment and placement recommendations to case workers, probation officers, and juvenile court judges.

Supervisor: C. Max Gale, Ph.D.

**University of Utah Behavioral Health Clinic**

2013-2014

*Cognitive Behavioral Therapist Trainee*

Conducted psychological testing, intake interviews, and therapy for child and adolescent clients with a variety of presenting concerns including depression, oppositional-defiance disorder, and anxiety. Scored and interpreted findings on major assessment inventories for children and adolescents, including, but not limited to, the MACI, WISC-IV, BASC-2, CPT-II, MMPI-A, and NEPSY-II.

Supervisor: Matthew Woolley, Ph.D.

**University of Utah Counseling Center**

2012-2013

*Cognitive Behavioral Therapist Trainee*

Provided weekly cognitive-behavioral therapy to college student clients presenting with a variety of presenting concerns including depression and anxiety. Included in-depth training experiences in case conceptualization, treatment planning, progress monitoring, and case presentations using the case formulation approach to CBT.

Supervisor: Katherine Baucom, Ph.D.

**University of Utah Counseling Center**

2012-2013

*Assessment Trainee*

Conducted psychological assessments with college student clients. Scored and interpreted findings on major assessment inventories including, but not limited to, the MMPI-2, MCMI-III, PAI, NEO, WAIS-IV, WMS, Woodcock Johnson, and SCID. Provided comprehensive reports to University Counseling Center. Provided recommendations for treatment to client and therapist.

Supervisor: Craig Bryan, Psy.D.
