

T32 Core Survey

The following survey is designed for feedback on common, foundational elements of T32 training programs. Your feedback will be used to better understand and improve these programs. All responses will be analyzed and shared in aggregate so that no responses can be tied back to a single person. If for any reason you would not like your data used in program evaluation analyses, please contact rlayton@unc.edu. This survey should take 10-15 minutes to complete. Thank you for participating.
