

Your Honor,

1. The plaintiff does request an Order for Joinder of the Defendant Worley to Case No. 22-002, but this was not the intent of their successive submissions.
2. The plaintiff would additionally like to file a separate notice against Defendant Worley using the information from the 7:09pm submission form, which was intended to be a correction of the 7:07pm submission.
3. The plaintiff would also like to notify the Justice that he is suing in his official capacity as Connor Community Governor.

Additionally, the plaintiff has retained the counsel of the Chief Legal Officer regarding these cases.

Thank you,
Dean Pearce
